RIVERLAND  
*Australia*

## REGION:

More Chardonnay plantings than all the Southern wine growing regions combined in Australia

Chardonnay from this region is vibrant with ripe flavours and oak is often used to add further complexity

Continental climate with flat terrain and long hours of sunshine ensure fully ripe and flavourful fruit

## TASTES LIKE:

Blend of Chardonnay and Semillon with notes of grilled peach, baked pear and tropical citrus

Addition of Bourbon oak delivers a twist of caramel, vanilla bean and baking spice

Rich mouthfeel is balanced with fresh acidity and a long lingering finish.

## PAIRS WITH:

ALC. VOL: 12.5 %

BODY: FULL

SWEETNESS: DRY

OAK: HEAVY
